

The Metropolitan Orlando Urban League Young Professionals (MOULYP), *an auxiliary of the Metropolitan Orlando Urban League*, is a network of young professionals between the ages of 21-40 across Central Florida who provide leadership development, economic empowerment and community volunteer opportunities for other young professionals. The organization trains, develops, and educates young professionals to take leadership roles within the Urban League, the civil rights movement, and society-at-large. Members of Young Professionals are defining, developing, implementing, and leading the next generation civil rights agenda. There have been several major corporations that we have done business over the years including Pepsi, Macy's, Darden Restaurants, and many more.
